

Grieg Shipping Group is a fully integrated shipping group and the owner of one of the world's largest open-hatch fleets. The company owns, manages, markets and operates 26 open-hatch general cargo vessels and operates 15-20 conventional bulk carrier vessels on time charter. Grieg Shipping Group is located in Bergen and Oslo, with offices in USA, Canada, Europe, Asia and South America.

In our office in Bergen we have a temporary position:

SUMMER JOB FINANCE & ACCOUNTING

We can offer a summer job for four to six weeks in our Finance & Accounting department in Grieg Shipping Group. If you would like to spend the summer learning about finance and accounting in a large shipping company, this should be of interest.

Relevant tasks

- Economic and financial analysis
- Financial reporting tools
- Implementation of new economy reporting system
- Assist in daily tasks

Personal qualifications

- A Master Student – preferably with major in Finance, Economic Analysis or Accounting.
- Quantitative analytical skills
- Ability to work independently
- Good communication skills
- Fluent in English and Norwegian, both written and oral
- Familiar with Microsoft Excel and Power Point

We offer a challenging and interesting job that can give you valuable experience for your professional career.
